CERTIFICATE OF INTERNSHIP

This is to certify that Ms. Niharika Narayan of Alva's Institute of Engineering and technology has successfully completed her internship with us.

Her internship term was between 13.01.2020 to 08.02.2020.

As the part of the internship she was placed with the following areas of Testing and Calibration

- 1. EMI/ EMC testing
- 2. Safety testing
- 3. Electro Technical calibration
- 4. Non-Electrical calibration

During the internship she was found to be punctual, positive and performance oriented and completed all the activities/tasks assigned to her.

We wish success in her career.

For Electronics Test and Development Centre-Bangalore
