

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Ms. Ashraya Shetty**, a final year student of Civil Engineering Degree course of Alvas Institute of Engineering and Technology, Moodbidri, Mangaluru, has undergone Internship training in our ongoing residential building construction project named "**Churchgate Palace**" site at **Kinnigoli**, near Mangaluru from 10-01-2019 to 10-02-2019.

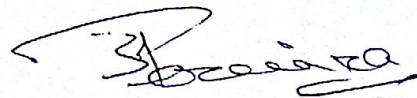

During her internship with us she keenly watched and observed the various building construction work process at the site and also took keen interest and inquisitive to understand the intricacies involved in building construction activities.

We wish her all the best for her final year exam and also for success in her future career in the field of civil engineering.
