Executive Summary

This is an opportunity to know how the theories can be applied to practical situation. As an MBA student of Alva's institute of engineering and technology this is a part of study for everyone to undergo internship at some good organisation. So, this purpose I got the opportunity of internship program in "Wipro Limited".

This report is divided into six chapters. It contains the background of the company nature, vision and mission, and it involves workflow model ownership pattern of company. In third chapter we have done study on McKinsey's 7s framework and this helps to know about the company's hard and soft elements. After this in fourth chapter we got to know about the strength, weakness, opportunities, and threats of company. Fifth chapter is all about analysis of financial statement. At last, in sixth chapter is learning experience here we have given us our own opinion regarding the study.
