## **EXECUTIVE SUMMARY**

The MBA course Offered by the VTU Belgaum, has its own unique syllabus, which required the MBA student to undertaking an organization study with any of the industry for a period of four weeks. This study was introduced by the university for the propose of gaining practical study of knowledge about the work and functioning of the Organization.

The study was conducted at the TATA CONSULTANCY SERVICES LIMITED. The main object of organization study is to expose the student to working culture of the organization and apply the theoretical concept in the real-life situation at the work place for various function of the organization. This organization study includes financial statement, SWOT analysis and ownership pattern and future growth, prospects and applied the Mckensy's 7S framework to the company.

At the end learning experience section, consist of all the policies, processes, practices and producers, which I have undergone through and learned during my organization study program.
