EXECUTIVE SUMMARY

This is an attempt to know how the theories can be applied to practical situation. As MBA student of Alva's institute of engineering and technology it is a part of study for everyone to undergo internship at some good organization so, this purpose I got the opportunity of internship program in “**Cyient (formerly Infotech Enterprises Limited)**”.

This report is divided into six chapters. The first chapter deals with the introduction about the internship, industry profile. The second chapter is about the organization profile,

- Background,
- Nature of business,
- Vision mission, quality policy,
- Workflow model,
- Product/service profile,
- Ownership pattern,
- Achievements/award if any,
- Future growth and prospects,

Third chapter is McKenny's 7S framework and porter's five force model with special reference to organization under study. The fourth chapter deals with the SWOT analysis. The fifth chapter is analysis of financial statements. The sixth chapter is my learning experience. It is also of bibliography.
