ACKNOWLEDGEMENT

It's my honest duty to acknowledge all who have helped me to complete this project work. It was not possible for me to complete project work if Dakshina Kannada Co-Operative Milk Producers' Union Limited had not allowed me to do work on the topic.

I wish to convey my deep sense of gratitude to Mr. Vasudev Bhat, Finance Assistant Manager for his immense help, support, guidance and giving me an inestimable opportunity to undergo this project work.

I express deep sense of gratitude to my internal guide Mrs. Priya Sequeira, Assistant Professor, Department of MBA, for having shown interest at every aspect right from the beginning of the project.

I express my sincere thanks to Dr. Peter Fernandez, Principal of Alva's Institute of Engineering & Technology for his valuable co-operation at the time of project.

I sincerely thank Dr. Claret Mendonca, Head of the Department, MBA who inspired me to carry out my project work.

I extend my genuine thanks to all the teaching faculties of the department of MBA, Alva's Institute of Engineering & Technology, Mijar.

I finally thank my family and friends for their constant support and guidance.

Sharan Shetty

EXECUTIVE SUMMARY

The Internship work is on "Cost Analysis of Dakshina Kannada Co-Operative Milk Producers' Union Limited, Mangalore". The Main objective of this study is to understand the working of the company and to gain business knowledge.

The study was conducted at DKMUL, Mangalore with the help of Primary and Secondary Data. The Data thus Collected was analysed with the help of Financial Tools like Ratio Analysis, Cost analysis, Trend Analysis and Interpretations were drawn from the same.

In the Internship the details of the Company is given in the section Industry Profile and Company Profile". However, financial aspects of a company cannot be overlooked. Hence, Primary importance is given to the study of financial aspects of the company.

The cost analysis plays an important role in decision making process. It helps to know all cost included in the plan or project and all benefit which will enjoying in the plan or project. Through which they can compare the cost to taking proper decision. It is also helps to development or changes made to products. It is also helping the company to know required funds for the project or plans needed. The cost analysis is also helps the entrepreneurs to avoid loss or to reduce loss by adopting cost control techniques to reduce various costs involved.

By analysing the various costs of the Company, finding was drawn regarding the company's performance by the study of annual reports and face to face interaction with the employees. The Internship concludes by trying to make suggestions which may be helpful to DKMUL, Mangalore.
