WORKSHOP BY:

Dr.H Ajith Hebbar

HOD- Department of Civil Engineering

ALET, Mijar

The Civil Engineering Department of Alva's Institute of Engineering & Technology, Mijar, organized a **Workshop** on **September 11th, 2018**, on "**How to Apply External Fundings for Final Year Projects**" for final year advanced learners.

Program Proceedings:

The workshop began at 9.00A.M. The gathering was cordially welcomed by **Mr Sanjay M , Project Coordinator** of Civil Engineering. **Dr. H Ajith Hebbar** started the session by addressing the 7th semester advanced learners about external fundings.

In this Workshop students of Civil Engineering are advised and encouraged to apply for external funding for their final year projects.

Following activities were conducted

Training : 9am to 5pm
Introduce yourself & Students Project ideas
How to Define the problem and project statements?
How to Prepare for Funding?
Apply For Funding & details of Funding agencies..

Event progressed with a pre-test. A questionnaire booklet was given to the students and asked them to fill it for the next 30 minutes.

Trainer and project coordinator asked the students to select the field of interest and tell their project ideas. The students were suggested to make a handy research proposal stating title, components to be used and their estimated market values, application of project and targeted market area followed by cost analysis, future scope and application part of the project.
