

LANGUAGE LAB

The institute has taken initiative to improve learning, listening, reading and presenting skills through language lab, where in 40 students are accommodated with A/V facility with a language software and interactive programs. English language labs are designed to provide the students with the strong platforms for the practical training in the language. The concepts are discussed and demonstrated by the teacher before the students proceed to practice them individually in the language lab. The basic aim of the language lab is to improve speaking, listening & reading skills of the students.
