## ALVA INSTITUTE OF ENGG. & TECHNOLOGY

Alva's Institute of Technology, Mijar, Moodbidri is a premier Engineering Institute of Alva's Education Foundation, established in the year 2008, which is 24 KMs from Mangalore International Airport. The college is recognized by All India Council for Technical Education (AICTE), New Delhi & Affiliated to Visvesvaraya Technological University, Belagavi. The college is certified to the ISO 9001: 2008 standards.

The institute offers under graduate programs in 5 branches of Engineering — Computer Science & Engineering, Civil Engineering, Electronics & Communications Engineering, Information Science & Engineering, Mechanical Engineering. The college offers the following Post Graduate programs: Master of Technology, Master of Business Administration, M.Tech courses offered in Thermal Power Engg., Computer Science & Engineering. Four departments at the Institute have been recognized as research centers by Visvesvaraya Technological University.

### Department of Computer Science & Engineering

Department of Computer Science and Engineering started functioning from the year 2008, with an intake of 120. The Post Graduate course, M.Tech in Computer Science and Engineering, was introduced from the academic year 2012-13. Department is actively involved in co-curricular and extracurricular activities with association and professional bodies. Department of Computer Science & Engineering has always been on a high growth and path since its establishment.

To keep pace with latest technologies, department has employed experienced and dedicated faculty members with strong commitment towards research work. The department is dedicated to education, research and overall excellence. The students are well placed in reputed industries as well as continuing higher education in the premier institutes. The Department of CSE organizes various events such as workshops, Seminars, Technical talks, delivered by eminent resource persons from academia & industry, who have excelled in their field.

### About Workshop

The main aim of the workshop is to focus on the various aspects of Development of web oriented applications using PHP and MySQL. This workshop imparts a fundamental knowledge required to design and develop an on-line management system of client-server technology using dynamic, database-driven web pages using PHP and MySQL. It includes the following salient features:

- It provides hands-on training sessions which offer a creative idea for developing on-line management systems.
- The practical programming exercises assigned amidst the demonstration hours enhance the interest on development of different real-life applications using PHP and MySQL.
- It offers a comprehensive knowledge in the development of on-line management system.
- E-materials along with 70 video lessons are provided.
- Intensive one-to-one attention is paid during the hands-on sessions.
- Useful tips for research scholars to write research papers and thesis.

### Resource Persons

### Report on 5 Days Workshop

Five days National Level Workshop on “**Development of Web Oriented Applications using PHP and MySQL and Orientation Program towards Research**” was conducted by Department of Computer Science & Engineering from 16<sup>th</sup> January 2017 to 20<sup>th</sup> January, 2017. The workshop was inaugurated by Dr. Balakrishnan Manikiam, Sir-MV ISRO Chair Professor, Bangalore University. He lighted the lamp of wisdom and in his speech. He emphasized the need of digital transformation in current scenario. He educated the gathering on the growth and integration of technologies and importance of web applications. He also explained how such workshops would help us provide knowledge of using web applications to turn India into “Digital-India”.

Academic Year 2018-19

The Dean Academics, HoDs of various departments were also present during the inaugural function. The resource person Dr. S. Mohideen Badhusa highlighted the importance of the web oriented applications with intensive hands-on sessions and delivered vote of thanks. There are 50 participants from various colleges participating in the workshop.

The proceedings of the workshop are as follow:

Shobhavana Campus, Mijar, Moodbidri, D.K - 574225  
**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**  
Academic Year 2018-19

Day 4: The exercises on 'Development of web oriented applications using PHP, HTML and MySQL' with the hands-on training sessions for developing on-line applications followed by the demonstration of development of online management system using PHP, HTML and MySQL with Case Studies.

Day 5: On 5<sup>th</sup> day, Prof. Manjunath Kotari, HoD/CSE conducted a session on "Research Orientation- General Advice" to the Research Scholars. In the session, he explained as how to start the Research, what are the good qualities of Research, types of Researches in India, Structure of Ph.D thesis and tips to write the thesis and journal paper. Dr. Mohideen Badhusha, Professor, Dept of CSE delivered a lecture on Research Avenues in Computer Science & Engineering domain and caveats with some examples for thesis work". The day ended with a valedictory function in which the certificates were distributed to all the participants.
