Report

FACULTY DEVELOPMENT PROGRAM

ON

**Intellectual Property Rights,
Patent-Importance, Procedure to
Apply**

Report on : Intellectual Property Rights, Patent-Importance, Procedure to Apply

In any technological area, drugs and pharmaceuticals match the description of globalization and need to have a strong IP system most closely. It can protect any product, design or process that meets certain specifications according to its originality, practicality, suitability, and utility. To give the awareness of patents AIET conducted one day FDP on **"Intellectual Property Rights, Patent-Importance, Procedure to Apply"** on 12/05/2017 in Engineering Seminar Hall.

The resource person for FDP was **Mr. Ajith Kumar**. Mr. Ajith Kumar is an Advocate, and working as Guest Lecturer in Alva's Institute of Engineering and Technology, Moodbidri. He has completed his L.L.B from Mangalore University in 2009 and L.L.M. at S.D.M Law College, Mangalore in the year 2012. He is expertise in delivering informative talks on IPR and Patent filings.

Mr. Ajith Kumar interacting with the audience about IPR

The FDP was conducted for all the faculties of different departments of AIET, wherein 23 faculties had attended the session. The audience could able to understand the importance of Intellectual Property Rights and its importance to research, along with its objective and scope of the research. IPR is related to research publications. He explained how to apply for patent and different types of patents. Knowing about the patent act is the important need for any researcher before filing any patents.
