To

The Principal

Alva's Institute of Engineering and Technology

Mijar Moodbidri 574225

Respected Sir

Sub: Requisition to conduct a National Level workshop on "LaTeX and research methodologies" in association with ISTE organized by the Dept. of ECE

With reference to the above subject I request you to permit me to conduct a **National Level workshop on "LaTeX and research methodologies" in association with ISTE** by Dr. SrinivasPai, Professor, NMAMIT, Nitte, Dr. Ramesh Kini, Professor, NITK, and Dr. Shashidhar Koolgudi, Associative Professor, NITK, in order to inculcate the research culture among the faculty on **23rd to 25th Jan 2018**. Kindly oblige and do the needful.

Thanking you

HOD

Dr. D V Manjunatha

H. O. D.

About AEF

Alva's Education Foundation (AEF) established in 1995 with the vision of our chairman Dr. M Mohan Alva has succeeded in making Moodbidri an Educational hub in the South Canara Region, with more than 25,000 students pursuing various courses ranging from primary school to post-graduate courses. There are 21 institutions functioning under the Alva's Education Foundation banner.

Alva's Education Foundation is highly committed towards the cause of providing education to all the sections of society. This is evident from the quality of events, programmes, staff and necessary support available for traditional and contemporary education.

About the Institution

Alva's Institute of Engineering & Technology (AIET) is a premier Engineering Institute of Alva's Education Foundation established in the year 2008. AIET is strategically located adjacent to Moodbidri-Mangalore National Highway, which is 24 Kms from Mangalore International Airport.

AIET is recognized by All India Council for Technical Education (AICTE), New Delhi and affiliated to Visvesvaraya Technological University (VTU), Belgaum, approved by Govt. of Karnataka. Ranked as one of the best Technical Institute in Dakshina Kannada region.

AIET offers wide range of academic programs comprising of 5 under graduate, 4 post-graduate programs and MBA. Institution also offers several research programs leading to doctoral (Ph.D) studies. The areas strongly focused by AIET are: Academic Excellence, Research & Development and Promotion of Innovation & Entrepreneurship. We have conducted lot of Faculty Development programs, Guest Lectures/Technical Seminars. AIET has a strong focus on Excellence in Education, Research and Promotion of Innovation &

Entrepreneurship. AIET has successfully completed EAC and FDPs in Entrepreneurship Development Centre project, which was funded by DST, Govt. of India. AIET has Several Sponsored research Projects funded by different reputed National Funding Agencies like DST, KSCST,DIT, AICTE, ISRO,VGST, IEEE, RESPOND, VTU etc.

AIET has established Multi-Disciplinary Research Centers viz Center for Robotics Research, Research center for Basic Science, Center for Small Satellite Research, Center for Nanomaterial's & MEMS, CAD Center, Apple Lab, Linux Lab.

About the Department

Department of Electronics & Communication was started in the year 2008-09. Electronics and Communication, one of the widely renowned branches in the field of Engineering, have proved time and again, that they play a vital role in both the developing and well-being of our society in the fast paced human life. ECE branch is concerned with the design, development, manufacture and application of electronic devices, circuits and systems. it plays great emphasis on deep understanding of fundamental principles and state of the art knowledge about Electronic Devices and Circuits, Computer Architecture and Microprocessors, VLSI and Embedded systems, Electromagnetic Field Theory, Analog and Digital Communication, Digital Signal Processing, Microwave and Broadband Communications, MEMS, Research and Development Lab (recently sanctioned by VTU Belgaum). The department has well-qualified and experienced faculty which includes Three Doctorates, Seven faculty are pursuing Ph.D. and Remaining faculty are Post-Graduates. The Faculty members are regularly publishing technical papers in international and national journals and conferences.

Scope of the Workshop

The aim of the workshop is to provide the required information for the beginners in research and to improve the

quality of research for the existing researchers. This workshop will help researchers to gain knowledge to select the most appropriate domain, formulate a proposal, to develop suitable research methods & Data Analytical Tools, to draw better conclusions from the analysis; to write a good Research Paper and publish it.

Latex also plays a prominent role in the preparation of thesis and publication of books and articles that contain complex multilingual materials. LaTeX can be used as a standalone document preparation system or as an intermediate format. The workshop would be useful for research scholars who need statistical and analytical assistance in their Ph.D. course work, participants of any discipline who needs to enhance their conceptual and analytical skills and also to the future researchers.

Potential Participants

Faculty members of all branches, Research scholars and PG students.

Date and Venue

23rd – 25th January, 2018

Engineering Seminar Hall

Alva's Institute of Engineering and technology
Shobhavana Campus, Mijar Moodbidri-574225

Last Date for Registration is 15.01.2018

Registration

Duly filled registration forms are to be submitted along with the DD for registration fee drawn in favor of "Principal, AIET" payable at Moodbidri. DDs of Nationalized banks are accepted.

Registration Fee

Rs. 600 per participant. Registration fee includes the course material and lunch. The registration will be on first-come-first-serve basis. No TA/DA will be provided. Accommodation will be provided. Accommodation to the outstation participants may be provided on request at nominal charges.

National Level workshop on “LaTeX and research methodologies”
in association with ISTE organized by the Dept. of ECE, AIET held
from 23rd to 25th Jan 2018.

The 3 day national level workshop witnessed participants from various institutions along with the faculties of AIET, who are pursuing their research and who are willing to pursue research.

The inauguration ceremony held on 23rd jan 2018 was graced by the presence of Dr. SrinivasPai, Professor, NMAMIT, Nitte, Dr. Dattatreya, Dean (planning), Dr. Praveen J, Dean (academics), Dr. D V Manjunatha, HOD, Dept of ECE, AIET.

Guest Introduction by Prof. Shankar B B

Alva's Institute of Engineering & Technology

Shobhavana Campus, Mijar, Moodbidri, D.K – 574225

Phone: 08258-262725, Fax: 08258-262726

Department of Electronics and Communication Engineering

The inaugural session started with a welcome address by Dr. Praveen J, Dean (academics), AIET. The blessings of Almighty were invoked by Ms. Shreelakshmi, student of 3rdsem ECE followed by lighting the lamp by the dignitaries.

A formal introduction of Dr. SrinivasPai was done by Prof.Shankar, Associate Prof, Dept of ECE.

LaTeX and research methodologies workshop session

Dr. D V Manjunatha, HOD, Dept. of ECE briefed about the workshop and also informed the participants willing to pursue research in the field of VLSI, video-Image processing and MEMS can chose the dept research centre.

The session followed by motivational talk by Dr. SrinivasPai, the chief guest and the resource person for day 1.

The host of the ceremony was Prof. Pradeep Kumar, Asstt. Prof., Dept of ECE. Dr. Dattatreya , dean(planning) proposed vote of thanks.

Alva's Institute of Engineering & Technology

Shobhavana Campus, Mijar, Moodbidri, D.K – 574225

Phone: 08258-262725, Fax: 08258-262726

Department of Electronics and Communication Engineering

The key note address was delivered by Dr. Srinivas Pai. He highlighted the prominence of Research, the objectives and principles, motives and the characteristics of scientific research. The session continued with an overview to, Identification of research topic and problems, literature survey, data analysis.

The second session by Dr. Pai started with an overview of writing good research proposal for receiving grants and also provided information on funding agencies.

The next session was on research paper writing and publishing where Dr. Pai discussed about scientific communication, good manuscript for an international journal and the key characteristics of writing a paper and paper organization. Plagiarism, Journal Impact factor and the submission process and also delivered a brief introduction to Thesis writing.

Day 2 was a hands on session on LaTeX for documentation. Dr. Ramesh Kini, Professor, NITK, Surathkal was the resource person. Prof. Shankar B B introduced Dr.RameshKini. The session started with introduction of latex, document creation using Kile software. He highlighted the usage of library function, style files, frames, tables, images, figures, mathematical equations, matrix. Dr.Kini also briefed about preparation of presentation slides using LaTeX and provided information on Xfig and Xcircuitsoftwares.

The resource person for day 3 was Dr. Shashidhar Koolgudi, was introduced by Prof. pradeep Kumar and was welcomed by Dr.D V MANjunatha, HOD, dept of ECE.

Dr. Koolgudi gave a detailed explanation on statistical inference. He topics highlighted are mena, Mode, mode, variance. Standard deviation, ANOVA., correlation analysis, regression analysis, normalization and vector quantization.

The workshop concluded on a good note on identifying research interests, believing what we can do, envision creations, planning and scheduling to achieve research milestone.

The Valedictory Session The day concluded with a valedictory session. Dr. D V Manjunatha, HOD, Dept. of ECE welcomed the gathering. Ms. JyothiPramal, conveyor, briefed the report of

Alva's Institute of Engineering & Technology

Shobhavana Campus, Mijar, Moodbidri, D.K - 574225

Phone: 08258-262725, Fax: 08258-262726

Department of Electronics and Communication Engineering

three days. Dr. Koolgudi, Dr. Dattatreya, Dean(planning), Dr. Praveen J, Dean(academics), Dr. D V Manjunatha, HOD, Dept of ECE, AIET honored the participants with the certificates. The participants shared their experience with regard to workshop. Vote of thanks was delivered by Ms. Sahana K A, Assistant Professor, Dept. of ECE.

Outcome: Faculty group of the workshop attendees got the knowledge

- Faculty those who already in research activity got enlighten about LaTeX software usage in thesis writing
- Faculty got knowledge about statistical approach in their respective thrust area
- Identifying research interests, believing what we can do, envision creations, planning and scheduling to achieve research milestone.

- Speech and Audio Processing
- Image Processing
- Machine Learning/Intelligence

▼ Significant Projects

Significant projects:

1. Project Title: An automatic system for identification of phonological processes in children of age from 2.5 years to 6.5 years,

Role: Principal Investigator.

Duration: 2016 – 2019

Funding Agency: CSRI DST

2. Project Title: Emotion analytics from speech

Role: Principal Investigator

Duration: 2017

Funding Agency: KOVID research Lab, Hyderabad

3. Project Title : Retinal cysts identification and quantification from low SNR OCT scans using image processing techniques

Role : Principal Investigator

Duration : 2017 - 2020

Funding Agency : DST (SERB) under EMR grant

Amount : 35 Lakhs

4. Project Title: Speaker recognition system for Kannada language in emotional environment

Role: Principal Investigator

Funding Agency: CSRI DST

In association with IBTE, New Delhi
