ALVA'S INSTITUTE OF ENGG.AND TECHNOLOGY

Alva's Institute of Engineering and Technology is a premier Institute of Alva's Education Foundation, established in the year 2008, located adjacent to Mangalore-Sholapur National Highway, which is 24 Kms from Mangalore International Airport with the vision to impart quality technical education, moral values, Social concern and patriotism to the students and mould them in to excellent professionals and credible citizens.

The college is recognized by All India Council for Technical Education (AICTE), New Delhi & Affiliated to Visvesvaraya Technological University, Belgaum. The college is certified to the ISO 9001: 2008 standards. The college is ranked as one of the best Technical Institute in Dakshina Kannada. AIET has set up a core culture through the process of continual improvements in quality of educational service, infrastructure and learning environment with a focus on extra and co-curricular activities so that the students become competent to face the challenges of globalization.

ABOUT THE DEPARTMENT

The Department of Mathematics started in the academic year 2008-09 along with other Engineering and Science departments has aimed to be a centre of excellence in Mathematics and computing and been vigorously engaged in both research and teaching

The vision of the department is not only to transform young people to competent and motivated professionals but also to contribute to the development of the nation. The department has qualified and devoted faculty members with specialization in various areas of Mathematics. A great point of interest is that the department is recognized as a research centre by VTU

OBJECTIVES OF THE WORKSHOP

- To understand some basic concepts of research and its methodologies
- To identify appropriate topics.
- To identify a problem.
- Plagiarism and Review submission.

DEPARTMENT OF MATHEMATICS,

One day workshop on

"Research Methodology"

Report of the workshop :

The department of **Mathematics** has organized One day workshop on "Research methodology" on 6th (Saturday) of January, 2018.

The objectives of the workshop are

- To understand some basic concepts of research and its methodologies.
- To identify appropriate topics.
- To identify a problem.
- Plagiarism and Review submission.

Inaugural function was held in Engineering seminar hall. The function began at 10 AM with a welcome address of Mrs Pameela konde HOD department of Mathematics. Further Dr Pameela kolake made aware of the objectives of the workshop and also gave brief overview of the workshop. The resource person Dr Ramprasad A.T, HOD Department of physics, Dean of first year Dr Basavaraju B. and faculties of various department were present. All faculties of Math's department were participated in the workshop.

The session was started by **Dr. Ramprasad** HOD Dept. of Physics in room no. 404. The resource person explained briefly about the research problem identification, report writing and plagiarism. The workshop concluded with vote of thanks by Mrs Rashmi.R. The program was concluded with happy note from every one.
