Sub: Request to Provide the Permission to conduct a Seminar for Faculties

Sir,

As per the subject mentioned above, Department of Chemistry is organising a Seminar on "Reference Tools for Literature Bibliography" on Monday, 16/07/2018. In this regard we are inviting Dr. Ramaprasad A. T., Department of Physics, AIET, as a resource person.

You are kindly requested to permit us to organise the Seminar for the faculties of all the departments of AIET.

Thanking You,

Yours Sincerely,

(Coordinator/HOD)

Sub: Invitation to give a talk on Reference Tools for Literature Bibliography

Dear Sir,

I am pleased to have the honour of inviting you to deliver a talk on "Reference Tools for Literature Bibliography" for a seminar organised by Department of Chemistry, AIET.

The seminar is scheduled **16/07/2018** at Engineering seminar hall.

Kindly accept our request as a guest speaker and oblige.

Thanking You

Received & accepted

Report

SEMINAR

ON

“Reference Tools for Literature Bibliography”

Name of the Program: Reference Tools for Literature Bibliography

Details of Resource Person:

Dr. Ramaprasad A. T. is working as Sr. Assistant Professor and Head of the Department, Department of Physics, AIET, Mijar. He has completed his Master of Science (M.Sc.) from Mangalore University, and Ph.D. also from Mangalore University in the year 2010. With 7 years of industrial experience and 10 years of teaching experience he is expertise in conducting polymers, gas sensors, solar cells and Engineering Physics.

Brief report about the Program

Dr. Ramaprasad interacting with the audience during the session

Any writings like an essay, report, dissertation or any other form of academic writing, your own thoughts and ideas inevitably build on those of other writers, researchers or teachers. It is essential that you acknowledge your debt to the sources of data, research and ideas on which you have drawn by including references to, and full details of, these sources in your work. Hence referencing is very important part of any research. In this context Department of Chemistry, AIET organized a seminar on “Reference Tools for Literature Bibliography” on Monday 16-07- 2018 in Engineering Seminar Hall. The seminar was conducted for the faculties of AIET. A total number of 26 faculties had attended the seminar.

Dr. Ramaprasad A. T., Department of Physics, was the resource person of the seminar. He explained about the various referencing conventions in common use. He continued that the importance of reference tools as the face of research and publication is changing globally. Due to the intense competition in academia, there is immense pressure on scientists to publish at a fast pace. Audience was exposed to various types' tools available for Literature Bibliography.

Outcome of the Program: After attending this informative session, faculties and researchers were able to understand the importance of brief literature study before the start of any experimental study. The audience could explore different types of tools available for literature bibliography.
