Sub: Request to Provide the Permission to conduct a Seminar on IPR

Sir,

As per the subject mentioned above, Department of Chemistry is organising a Seminar on "Intellectual Property Rights-Role of Undisclosed Information in Intellectual Property" on Monday, 19/01/2019. In this regard we are inviting Sri. P. B. Kotur, Global Fresher's Engagement Program Wipro Limited, as a resource person.

You are kindly requested to permit us to organise the Seminar for the faculties of all the departments of AIET.

Thanking You,

Yours Sincerely,

H. O. D.

Sub: Invitation to give a talk on Importance of Science, Technology and Math for Research

Dear Sir,

I am pleased to have the honour of inviting you for a talk on "Importance of Science, Technology and Math for Research" for our institute technical activity.

We have arranged your lecture at our institution on **19/01/2019**.

Kindly accept our invitation as a guest speaker and oblige.

Thanking You

Yours Sincerely

Dr. Ravikumar C

Report

SEMINAR

ON

“Importance of Science, Technology, & Math for Research”

Name of the Program: Importance of Science, Technology, & Math for Research

Details of Resource Person:

Sri. P. B. Kotur is a Head-Global Fresher's Engagement Program Wipro Limited. He is also Global Goodwill Ambassador, Author, Educationist, Global Talent Transformer and Corporate leader. In addition, he is a well known Motivational Speaker for students of all ages and a Keynote speaker at National and International gatherings.

Brief report of the Program

Science and technology are important parts of our day to day life. Subsequently, research on science and technology have assisted in advancing various fields including Mathematics, Astrophysics, Space technology, Nuclear energy and more. In this context Department of Chemistry, AIET organized a seminar on “Importance of Science, Technology, & Math for Research” on Saturday, 19/01/19 in MBA Seminar Hall. The seminar was conducted for all the faculties and students.

Sri. P. B. Kotur actively interacting with the students and faculties during the session

Sri. P. B. Kotur enlightened the students and faculties by motivating them through inspirational talk. He explained how science, technology and mathematics helps to achieve greater heights in research and thereby moulds the scientific career, to be an asset to the society. Overall seminar concentrated on how the research acts as powerful and pleasant
