To,

Mr. Hemanth Kumar
Executive Secretary
Karnataka State Council for Science and Technology
Indian Institute of Science
Bangalore.

Dear Sir,

Sub: Deputation of Mr. Vivek Sagar for a IP Cell discussion – reg.

With reference to the above, I request you to depute Mr. Vivek Sagar from Patent Information Centre, KSCST for a Talk on IPR to the students of Entrepreneurship Development Cell and Innovation Club at Alva's Institute of Engineering and Technology , Moodbidri on 07/09/2019(Saturday).

Also on the same day we are planning to have a discussion on Setting up an IP Cell in our college in association with KSCST.

Thanking you

Yours truly

Dr. Peter Fernandes

To

Mr. Vivek Anand Sagar

Patent Attorney and Consultant

PIC, KSCST, Bangalore

Dear Sir,

Sub: Acknowledgement letter – reg.

On behalf of the Entrepreneurship Development Cell, AIET, I extend my heartfelt gratitude for delivering a talk on Intellectual Property Rights to the students of EDC and Innovation club on 07/09/2019 (Saturday). Also the discussion with faculty members regarding setting up of an IP Cell at AIET was also very fruitful. Looking forward to your support and cooperation in all our future ventures.

Thanking You

Dr. Peter Fernandes

**REPORT OF
TALK ON "INTELLECTUAL PROPERTY RIGHTS"**

About Speaker:

Mr. Vivek Anand Sagar

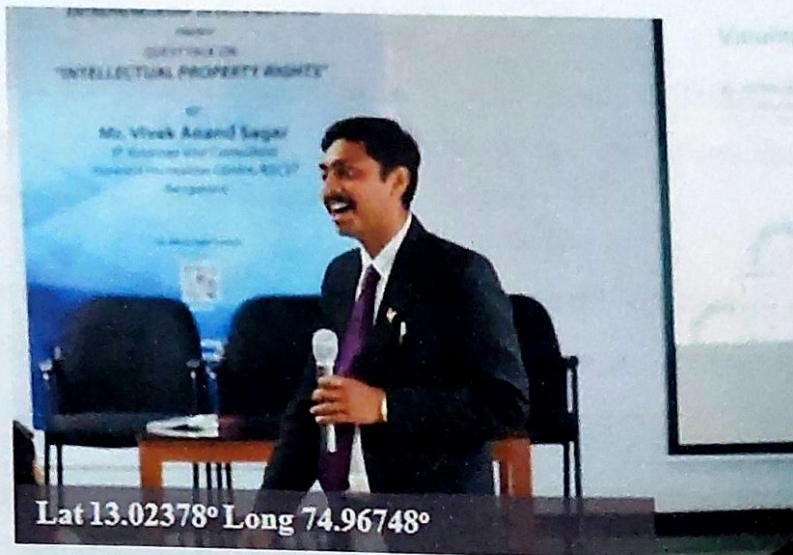

IP Attorney and Consultant

KSCST, Bangalore

Mr. Vivek Anand Sagar is an IP Attorney and Consultant, KSCST, Bangalore. He is Involved in organising IPR awareness programmes at the Engineering Colleges universities & other Professional Institutions including MSMEs.

Programme Proceedings:

The talk was held at Engineering seminar hall, AIET for which the members of Entrepreneurship Development Cell (EDC) and Innovation Club took part in large numbers.

Mr. Vivek Anand Sagar Addressing Students on Intellectual Property Rights

Mr. Vivek Anand Sagar, IP Attorney and Consultant, Patent Information Centre, KSCST, Bengaluru was the guest speaker, who started off the session by making the students understand the intellect everyone possessed and how important it was to safe guard our ideas, thoughts and innovations.

He interacted with the students by picking up real life examples which clearly made the students understand the importance of IPR.

He also gave information to the students of the final year regarding how the government was funding for different, innovative ideas so as to start their own firms and pick up entrepreneurial life. He spoke about the principles of IPR and how by abiding those one who possessed an unique idea could easy patent his/her ideas. He spoke the rewards one could get if he/she put some effort to patent their idea. He also emphasized on copyrights, trademarks and royalties ones were getting whose patented their intellect.

He spoke about the tenure the patent would last and also added the scrutiny methods the centre adopted to ensure one's right. He streamlined his thoughts towards engineering and technical

domains where he told who the prototype or product should be industrially applicable to receive a patent.

He spoke about the non-obvious ideas in industry which should be looked before filling for a patent. He educated the students how an idea would be called a non-obvious idea by skilled people in the sector or domain of industry concerned.

At last he gave an insight about which ideas could not be patented. The students were well educated about the importance of IPR and how one could claim their rights over their thoughts by the end of the talk.

Mr. Vivek Anand Sagar receiving memento from Prof. Sanjay S, EDC Co-ordinator

Prof. Sanjay S, EDC Co-ordinator, AIET, conveyed the vote of thanks for the program and presented a memento to Mr. Vivek Anand Sagar and concluded the program.

The talk created awareness in the students regarding the importance of IPR and procedure involved in getting a patent. The program helped the students to realise the need for Innovations & how it could affect the society. Students were motivated to take up Entrepreneurship as their professions.
