Talk on Prior Art Search:

The Resource person explained what are prior art search and the different types in it. The benefits of prior art search were discussed in detail. He also explained how to Protect Intellectual Property Rights. He briefed out the difference Between Forgery and Counterfeiting. He threw limelight on unfair competition. The four phases to be followed during the prior art search discussed were:

- 1. Short-listing of keywords
- 2. Exhaustive search of databases
- 3. Extensive Internet-based search
- 4. Analysis and interpretation of search results

Seminar on Indian Patent Management System by Dr. H Ajith Hebbar
