TOILET CONSTRUCTION FOR UNDERPRIVILEGED SCHOOL GOVERNMENT PRIMARY SCHOOL, NEERKERE, MOODABIDRI – 2016-18

Construction Activity: 2016-17

The students of the department with the guidance of the faculties visited the local government schools and identified a primary school at Neerkere, 5km outskirts of Mijar, with poor sanitation system for students (toilets and urinals). Planning, Design, Estimation was undertaken by students under the expert guidance of the teachers.

DEPARTMENT OF CIVIL ENGINEERING

ConstructionActivity:2017-18

The students themselves participated in the construction activities as volunteers, but in the presence of skilled masons. The students made their contribution during fund raising and also raised the funds from faculties and public donors. The students of Final Year Civil Engineering participated in the construction work.

Photos: Students being involved in various stages of Construction of Toilet at Govt. Primary School, Neerkere

OUT COME:

The Programme has helped the students to,

1. Build the planning and construction work very effectively.
2. Improve their technical, leadership and management skills.
3. Set and achieve positive goals and improve their academic performance.
4. Build social concern and maintain health and hygiene.
