

### 3.4.2 Number of awards and recognitions received for extension activities from government/ government recognized bodies during the last five years.

The Institute provides better scope for holistic development of the students through activities focusing on societal issues. The extension activities promote social-justice, social responsibilities and good citizenship amongst the students. The activities conducted under various clubs demonstrate these values and qualities. The local communities were benefitted immensely through the work put in by our students. Involvement in extension activities has developed the community orientation and encouraged the students to develop a lifelong ethic of service to society. The experience gained through extension and outreach programs have helped the students to make better decisions, adapt to change, improve their self-esteem and better prepare for their career.

The Institution has received many awards and recognition for these extension activities conducted. The information on awards and recognitions received from government/ government recognized bodies for extension activities during the last five years are provided through the links below under E-copies of the award letters and the reports of the activities for which the awards/recognition are received are available in any additional information.
