Dear Faculty and Students,

Greetings from Ave Maria Palliative Care! This is to gratefully acknowledge your visit to our hospice facility and all the patient care items that were donated by your MBA students.

Indeed it is very encouraging to see students genuinely caring for the less privileged and their commitment to reaching out. Thank you for your support of our humble venture and for affirming our mission of rendering palliative care to those in advanced stages of their terminal illness.

It was heartening to see the students interacting with our patients and bringing a smile on their faces during their visit here. We wish them the very best in their academic endeavours.

Gratefully,

Dr. Lavina M. Noronha
Director
