"KALIYONA COMPUTER-Rural Computer EducationCamp"

DATE & VENUE: **2nd Nov to 3rd Nov 2018 at Rural Computer Education Camp to students of Govt Kannada Medium School, Mavina Katte, Marodi,**

Kaliyona Computer was organized by CMANIAX forum from 2nd Nov to 3rd 2018, Rural Computer Education Camp to students of Govt Kannada Medium School, Marodi. Inuagration was done by Ravindra Poojari, President of Lion's Club, Shirthadi, Dr. Peter Fernandes, Alva's Engineering College Principal and Dr. Kurian, Alva's Degree college Principal. Further there was an orientation about Kaliyona Computer leadby Shreyas Rao,Event Coordinator followed by forum coordinators.

Giving the Basic knowledge of MS-Word, MS-Excel, Paint etc. Giving the basic knowledge about MS-Word which is extraordinarily useful for them and allows to be more creative and also opens up a wide range of knowledge. MS-Excel is done as essentially with set of formulas to calculate the values. These values have been calculated by using formulas. By this student have understood slightly about how to use MS-Excel. Our student coordinators taught how to use paint option in computer and how to use it.

Entire two days the students were able to learn the basic knowledge of MS-Office and paint. Our student coordinators gave few assignments to judge whether the students have learnt the concepts. Student coordinators included brain storming sessions like quiz. The entire session was students completely filled with enthusiasm and made the session more interactive and showed lot of interest and we encouraged them by distributing chocolates.

Nearly 145 students of the 8th & 9th Standard of Govt. Kannada Medium High School, Marodi, Dakshina Kannada Dist, Karantaka were actively participated in the 3 days "Kaliyona Computer-Rural Computer Education Camp" and get benefited by the program. About 25 Final year students and 4 faculty members of the department of CSE were participated in the program. The institution donated the 4 computers to the school. Most of the school students doubts related to computer fundamentals were cleared with real-time examples. The AIET students were gained a special experience by teaching computer fundamentals to the school pupils.

TRANSLATION OF APPRECIATION LETTER

"Alva's Institute of Engineering and Technology, Moodabidri" hosted a program "Kaliyon Computer" in our institute "Government Upgraded Primary School, Mawinakatte" on 2.11.2018 and 3.11.2018. Our students who have no knowledge of computers have benefited greatly from this program. Also, two computers have been donated to our organization on the grounds that this education should not be limited. It is a matter of pride that this workshop has enabled us to lay the foundation for our students' future life by providing computer education in classrooms with other curriculums in the near future.

We are also congratulate the organization for this excellent program, this activity is helpful and beneficial for rural students.
