Program was organized in association with SAKSHAMA Mangalore on 9<sup>th</sup> March 2017. This was conducted to bring awareness on Eye donation. Rules and regulations of eye donation were explained and Eye Pledge form was distributed among interested students. **53 volunteers participated in the event.**

**Outcome:** The participants came out of the fear created by superstitions in donating one's eyes after death. Also they understood that if one person donates his/her eyes, vision can be restored in two people. At the end of the event all the participants registered their consent for eye donation.
