Beach Cleaning - 26.03.2017

A beach clean program was held at Hejmadi Kodi Beach on 26th March 2017. The event was organized by the Mantra Surf Club – Mulki and the event drew **40 NSS** volunteers. Prof. Suresh P S along with the NSS Program Officer Prof. Roshan Shetty participated in the event. Volunteers from various other institutions were also been invited for the event and more than 200 volunteers lent their shoulder for a noble cause. Sri Vivek Alva, Managing Trustee visited the site and addressed the volunteers and appreciated their active involvement in such activities.

Outcome: The beach cleaning activity is planned in light of the fact that the trash not only impacts beachgoers' sentiments, but also impacts the environment and detracts from the natural beauty of the landscape. Volunteers were sensitized to the environmental sustainability, social consciousness and commitment and team work.
