Talk on "Technology for Mankind" – 22.08.2016

A talk was conducted on August 22nd, 2016 by ISKCON devotee Sri Nishantha Das. **64 NSS volunteers** from our institution participated in the talk. The talk was mainly focused on the misuse of technology in recent years. Resource person pressed importance of transformation of technology towards the benefit of Mankind.

Outcome: Participants realized that while technology is fully responsible for the advancement of humanity, it must be handled with caution because it has also become a man's addiction. The technology or inventions can be used to improve the world, and they should be put to good use.
