“KALIYONA COMPUTER-Rural Computer Education Camp”

Date & Venue : 17th to 19th January, 2018 at J.E.M High School, Kalasa, Chikkamagaluru Dist.

Department of Computer Science & Engineering student's association C-Maniax Forum conducted a Rural Computer Education camp in J.E.M High School, Kalasa. The program was formally inaugurated on 17th January, 2018 at J.E.M High School, Kalasa by HOD of CSE department Dr. Manjunath Kotari with Kalasa Education Society President Mr. Shreekanth, Secretary Mr. Gopinath Pai, Joint Secretary Mr. Narendra and Head Mistress Mrs. Sunanda. Mr. Hemanth Kumar N P, Mr. Vivek Sharma, Ms. Shruthi Shetty J and Ms. Ankitha Shetty were present during the inauguration function.

Soon after the inauguration, the students began their training session by introducing them about what exactly is a computer? What is its importance and how it evolved? What are the major hardware parts and major software's found in a computer were dealt in detail. There was a one to one interaction session with the students. Lot of doubts and questions raised by the JEM students were well handled by the Alva's students. In the afternoon, hands-on sessions were conducted related to the topics discussed in the morning. The students seemed to be very interested and enthusiastic about the session and were comfortable in using and getting to know well about the computers.

The next day started well with an introduction about UNIX systems, how they changed the world by the concept of free access and software. All the existing Android, Windows all have an internal kernel, which is actually derived from the UNIX system. The UNIX gives user the freedom and advantage to do whatever changes, modifications, research related to any field of his interest by easily developing, distributing the software's or code free of cost available to everybody throughout the world. The hands on session on that day consisted of getting to know some UNIX commands such as mkdir, cd etc., to create, delete, change directories and other things by making use of the Terminal available in a Linux distribution which is nothing but UNIX like in nature.

The final day contained the major task of installing a Linux Operating System such as Puppy Linux. The students were first shown how to install the Linux, later all students were given a chance to try themselves out. The various processes involved such as booting the Linux, system software's and some application software's were discussed. Later the day concluded by a demonstration of how to use a Net banking, book a bus or train ticket, how to use online payment system such as Paytm, Free charge etc., were discussed consisting of separate session both for faculties as well as for students. The students were given with how to develop a website by using HTML etc was taught during this camp. Also students were taught with C Programming introduction during this course.

The 3 days Rural Computer Education camp in J.E.M High School, Kalasa, Karanataka enlighten 326 High School students with a great fulfillment in computer fundamentals. About 40 students of AIET and 4 faculty members were accompanied the camp with great enthusiasm. Students of the JEM High School were more receptive in asking doubts about computers and its usages. This camp helped the AIET students in terms of their personality development and communication skills. The AIET students were gained a special experience by teaching computer fundamentals to the school children's.

The Head of the Department,
Department Of Computer Science & Engineering,
Alva's Institute of Technology,
MOODABIDRI.

Respected Sir,

Sub: Kaliyona Computer

I am happy to inform you that from 17.01.2018 to 19.01.2018 the programme 'Kaliyona Computer' has been successfully conducted for the 8th standard students of J.E.M. High School, Kalasa Moodigere taluk, Chikmagalur Dt.

I thank you, your faculty members and the final year and pre-final year students of Dept. Of Computer Science & Engineering, Alva's Institute of Technology for having conducted this programme in this school.

I also Thank the Chairman, Alva's Education Trust for having given approval to conduct this programme here at J.E.M. High School, Kalasa.

Thanking you,

Your's truly,

Attested
