To

The Head of the Department

Sir,

With the permission of Principal-AIET, NSS-AIET is organizing Blood donation camp during the first/second week of December, in association with few other clubs in AIET.

In view of this NSS volunteers will be visiting all the class rooms at your department to collect the interested blood donors' details. The count will help in inviting more than one blood bank.

It is therefore requested that permission may kindly be granted to visit the classrooms.

Thanking you

(Suresh P S)

Blood Donation Camp on 29.12.2020

Ever since the lock down announced in March 2020, the blood donation came to a grinding halt which forced many hospitals not to undertake any surgical cases that demands the blood utilization. The people suffering from the blood disorders, cancer patients and others in dire need suffered the scarcity of quality blood.

Given this circumstance, NSS and YRC units of AIET-Moodbidri organized the blood donation camp in association with the Rotary Club – Moodbidri, Alva's Rotary Blood Bank – Moodbidri, District Wenlock Hospital – Mangalore, Alva's Homoeopathic Medical College, Alva's College of Naturopathy and Yogic Sciences and NCC unit of AIET, at 'ACAR' –Main Block-AIET on 29.12.2020.

Through the altruistic act of voluntary blood donors (Staff and Students), **271** blood units were collected during this outbreak of COVID-19 pandemic. A core team of **22 volunteers** were formed to assist the smooth functioning of the blood donation camp.

Rtn. PHF. Dr. Sudeep Kumar, President, Rotary Club-Moodbidri, Dr. Sharath Kumar J, Pathologist, District Wenlock Hospital, Mangaluru. Dr. Vinay Alva, Surgeon, AHC, Moodbidri, Dr. Peter Fernandes, Principal-AIET, Mr. Abdul Gafoor, C H Medicals-Moodbidri graced the occasion with their august presence.

Outcome: The blood banks collected a total of **271 units of blood**, which might save hundreds of lives and improve the efficiency of health-care systems. Volunteers learned human values, civic awareness, social commitment, as well as their roles and responsibilities.

Dr. Sharath Kumar J, addressing the gathering
