In such cases the Completion Certificate will be issued only on submission of the report by the students.
5. Please go through carefully each of the terms spelt in paragraphs mentioned above and also appraise the students of the same.
6. It is our experience that students who report here for Internship Training are ignorant of the rules, non-compliance of which would entail the students to be sent back. It is also important that the students should report for Internship Training on time. In case of drop out etc., the institution has to communicate to us in writing for further action.
7. It is also observed that students from Outstation College often break Internship Training on the grounds of attending to college / examination etc. which in turns delays the completion of Internship Training and create inconvenience. It should be ensured that the students should be present continuously and complete Internship Training within the stipulated period. Students should be advised to adhere to this stipulation scrupulously, failing which their Internship Training will be terminated.
8. If the students are agreeable to the above terms & conditions, they are advised to report to the HR Department between 7.30 AM to 9.00 AM on the day of the Internship Training allotment for further action.

Thanking You,

Yours sincerely,

Dr. Indu Anandha Lakshmi
