ISE - MOU
Activities

The department organized an invited talk on 7th March 2018 which was delivered by Dr. Shivakumar Magada who is recipient of "National Chanakya Award 2015" awarded by Public Relation Council of India, "Dr Abdul Kalam achievement Award 2017" and "Environmentalist of the Year 2017" instituted by international foundation for Environment and Ecology for his contribution towards profession, industry and society. He spoke on the topic **"Vision 2025"**

Dr. Shivakumar Magada first spoke about various issues in agriculture, fishery and environment and discussed how issues can be resolved by using computer science technology. He called young engineers to develop various models using new technology to find solutions to above discussed areas. He spoke on efficient usage of resources in the field of agriculture and fishery to improve the economy of the country. Finally he spoke on how to improve the quality of life of the people and uphold the human values through science, technology and proper education.

The Department has already made MOU with Animal & Fisheries Sciences University, Kankanady, Mangalore, and we are looking forward for developing various models to solve the problems in agriculture and environment.

Finally on behalf of the Management, Principal and the Department I would like to thank Dr.(Prof) Shivakumar Magada for delivering an informative, knowledgeable and thought provoking lecture to our beloved students as a Resource Person.
