Hi Sushanth Anil Lobo,

Thank you again for expressing interest in Coursera!

Our mission is to transform lives through learning, and we want to help your students by offering courses online to minimize the impact of the coronavirus on their education. We're excited to let you know that your Coursera for Campus program for your learners is ready and is officially launching today 07/01/2020. You can access your new program(s) here.

The following individual has been provided organization administrator access. They can add additional administrators on your Coursera portal.

Shortly, you will receive a separate email inviting you to take a short course on our platform that provides you an overview of all the features of your Coursera for Campus portal. Here you can review the program as well as your dashboard settings, and start adding learners from your campus by inviting your learners from the invitation tab
