QUALITY INDICATOR FRAMEWORK (QIF)

4.1.2. The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga etc.

The Institute ensures holistic development of a student is attained by providing them adequate facilities for cultural activities, sports, games, gymnasium, yoga etc.

Alva's Institute of Engineering and Technology considers sports as an integral part of everyone's life and gives utmost priority and encouragement to sports aspirants. The sports and games (indoor & outdoor) facilities of the Institute, along with support from Alva's Education Foundation, are abundantly provided for the students to master their area of sports/games skill.

This assistance includes adequate infrastructural facilities such as 400mtr synthetic track, coaches for concerned sports/games, and national level coaches as advisors/trainers.

The cultural activities enhances the confidence level of the students, thereby allowing them to perform better. These activities develop the personality of the students and assist them in shaping a good career.

For cultural activities, the best among the best trainers, experts and connoisseurs in the concerned area are deployed to achieve excellence by students in the same. Institutions give all kind of encouragement to different cultural activities, such as Folk Dance, Classical Dance, Music, Drama, theater event and many more, to enhance the overall development of students.

As a result of the aforementioned benefits provided by the institution to students, they won awards at the university, state, and national levels in sports and cultural competitions.

To ensure a healthy mind and body, the Institute provides students with Gymnasiums and Yoga facilities, along with expert trainers.
