Dear Sir,
       Considering our long relationship and competitor's quote we have processed the proposal for competent authority's approval with your expected price and bandwidth w.e.f 01.10.2022.Once the approval is received the same will be intimated to you. Thank you for choosing and retaining our service. We will try our best to deliver the best telecom services and meet your expectations.

With reference to our earlier mail i.e proposal of downgradation of BSNL bandwidth, it is kindly requested to give your feedback or confirmation. As we have already raised the advance bill with GST for 1 Gbps which needs to be internally processed according to the new proposal that is under your consideration, so as to avoid GST related losses to us. As 30th September is fast approaching, we kindly request you to finalize on this at the earliest please.

> Dear Sir,
>   Kindly confirm the Bandwidth upgradation which was done in 2020. As we had jointly tested the link last time with the web based speedtest tool on a PC was upto the mark. The screen shots of the same are attached. We will be pleased to hear from you.

On Thu, Feb 24, 2022 at 1:14 PM AGMEBMANGALORE <agmebmr@gmail.com> wrote:
> Dear Sir,
>   As we discussed and analysed the Internet Leased Line connectivity of the AIET, Mijar on 19/02/2022 it was observed that the link speed was crossing 950 Mbps at the last point of BSNL. Similarly the link speed was getting capped to 300 Mbps once the link was accessed via the Cisco router. Hence in this regard it was to be tested by the router vendor. As we are awaiting your confirmation for link upgradation please revert about the same. As always, BSNL pleased to deliver satisfactory service to your esteemed organisation. We look forward to the valuable feedback and confirmation.
