Dear Sir,

We have discussed it with a company person and he said he is ready to visit with requirements. Once the payment is done 50% in advance, he will visit the campus and do the servicing of machineries with installment.

So from our end, we confirm please go ahead with the order by payment if NOT done.
If done already please send us the details.

Prof. Kiran C H will follow the same as he is in-charge of the lab and responsible person.
