---

**5.1.2 Average percentage of students benefited by scholarships and freeships provided by the institution/non-Government agencies during the last five years.**

Alva's Institute of Engineering and Technology (AIET) under Alva's Education Foundation supports students through its scholarship scheme and ensures that students apply for the same. The Institution has provided the scholarship for the economically weaker section and meritorious students. The institute through its policy aims to provide necessary support to students by well-structured mechanisms to decide the beneficiaries of the Institutional scholarship based on their performance in academics, sports and socio- economic conditions. In addition to this, the institute supports various other non-government scholarship schemes viz. SDM Trust, Jindal Trust etc.
