Dear Aditya Maruti Naik:

Congratulations on being named to the Georgian College Dean's List for the Winter 2022 semester. The Dean's List recognizes students who have achieved a Grade Point Average (GPA) of 80% or higher in any academic semester. Your GPA for the semester noted above was **88.14%** and has earned you this honour of distinction.

I congratulate you for reaching a high level of academic achievement and commend you for the commitment and dedicated effort that resulted in this success. It is my hope that you will continue to build upon this accomplishment, as it is a clear indicator of your potential to reach any goals you set.

The reputation of a program, and ultimately that of the college itself, is built upon the collective achievements of its students. Thank you for your contribution to Georgian College, and best wishes in your future endeavours.

Sincerely,

Bill Angelakos, PhD, P.Eng.
Dean, Design, Visual Arts and Computer Studies

Dear Mr. Shah:

Congratulations! I am pleased to offer you admission to graduate studies at the University of Guelph. Graduate study at the University of Guelph is supported by internationally renowned faculty who are engaged in cutting-edge research and practice. As a graduate student, you will have an opportunity to work closely with faculty members who are committed not only to their research but to the development of their students as future researchers, educators and practitioners. We are delighted you have chosen the University of Guelph and we are excited to present you with the following offer of admission.

Your admission is conditional pending receipt of the following documents:

Official and Final Transcript - BEngVisvesvaraya Techn'l Univ
Official Copy - Degree Certificate - BEngVisvesvaraya Techn'l Univ

All required transcripts must be received **electronically or in a sealed envelope** directly from the university concerned and show courses taken, grades received, and degree conferred. Electronic transcripts can be sent to gradapps@uoguelph.ca directly from the institution. Documents being sent in a sealed envelope, can be sent to **University of Guelph - Office of Graduate and Postdoctoral Studies – UC Level 3 - 50 Stone Road East – Guelph, Ont – N1G2W1**. During the pandemic, please be reassured that our mail room is open and documents will be processed. All degree requirements, including thesis defense and submission (if applicable), mus be complete prior to entering the program. If your previous university does not indicate degree conferred on the transcript because your convocation will take place during your first registered semester at the University of Guelph, your convocation will take place in a subsequent semester, or the official transcript does not state this information, we require an official letter from the university confirming that the degree is complete and includes the date of convocation.

Courses completed post application/offer of admission must be declared to the Office of Graduate & Postdoctoral Studies prior to commencing study at the University of Guelph.

All official transcripts and other required documentation must be received by the first day of class of the semester in which you start your program at the University of Guelph (see schedule of dates in the graduate calendar for the date corresponding with the first da of classes). Applicants who fail to meet the conditions of their offer of admission as noted above will normally not be permitted to register for classes for the semester in which they have applied and are admitted. Their offer of admission will normally be rescinde and the applicant will be encouraged to apply to a future semester. For students who are in the process of completing their degree a the University of Guelph, or have completed a degree at the University of Guelph, the Office of Graduate and Postdoctoral Studies will obtain your final official transcript on your behalf.

Student ID Card
The University of Guelph requires proof of identity and citizenship before releasing student ID cards. Please carefully review the criteria to obtain your student ID card. Please visit the Campus Card Office website for information on how to obtain your Univer of Guelph student campus card. In addition, international students are required to submit a valid study permit and passport. Failu comply with this requirement may result in your inability to register for current or future semesters.

Letter of Admission with Requirements

Dear Ms./Dear Mr. Gopalakrishna,

I take great pleasure in offering you admission to the Bauhaus-Universität Weimar for the summer semester 2023.
You have been admitted to the following course of studies, which is taught in English:

Computer Science for Digital Media (Master of Science)
1st semester

Please bear in mind that you must complete additional classes before starting your Master's thesis. They must be taken in addition to the 120 ETCS of the Master's programme of Computer Science for Digital Media. Deatils are listed in the attachment to this letter.
The master is offered in English.

For registration, you need the following documents:

- copy of the letter of admission
- Proof of your health insurance:

  please request "Meldegrund M10 für die Bauhaus-Universität Weimar" from a statutory(legal) health insurance company. With this notification, the health insurance company informs the university whether you are insured with the health insurance company as an independent member or co-insured through your parents (only for EU citizens) or whether you have been exemptedfrom the statutory(legal) insurance obligation. In case of an exemption, you can freely choose which statutory(legal) health insurance company should take over this notification for you.

Thank You for Your Letter

Dear Manjunath,

Illinois Institute of Technology faculty have found your letter of recommendation invaluable in assessing Viha Basava's application to the program.

In this light, I'd like to share with you some important information about Illinois Tech.

With more than 120 programs across eight colleges, Illinois Tech offers rigorous, relevant degrees in high-impact fields that are driving innovation. We offer degrees in engineering, science, architecture, business, design, human sciences, applied technology, and law. We know the education we provide is great—and so are our outcomes. We often hear from other institutions as well as employers that our graduates are more prepared than graduates of many other universities.

We Count on Your Recommendation of Us
Your recommendation letter has helped to both recruit and admit a very bright student to our university. We hope that you will continue to recommend Illinois Tech as an academic institution that is strongly committed to the growth of its students. We receive thousands of applications to our programs, so having a good recommendation helps us to efficiently streamline the decision-making process.

Viha Basava is on their way to participating in an exceptional higher-education experience. You have our heartfelt gratitude for taking the time to help Viha Basava achieve their dream.

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,
$\mathbf{M}$ is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
$\mathbf{M_q}$ is the qualifying marks for general category candidate in the paper
$\mathbf{M_t}$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$\mathbf{S_q} = 350$, is the score assigned to $\mathbf{M_q}$
$\mathbf{S_t} = 900$, is the score assigned to $\mathbf{M_t}$

In the GATE 2022 score formula, $\mathbf{M_q}$ is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Dear Vinith Shadu Shetty

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: WIL4International
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://www.conestogac.on.ca/international/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
