

#### **5.4.2 Alumni contribution during the last five years (INR in Lakhs)**

The registration of the alumni is being done with a payment of nominal membership fee to the AIET ALUMNI ASSOCIATION during the final semester for every year. Fund generated by Alumni association is used to conduct the mega fest of the institution CHAKRAVYUHA and other festivals and celebrations. Alva's Chakravayuh is a three-day inter-disciplinary, inter-collegiate competition on our campus. The event is a platform to encourage students of all disciplines to exhibit their talents and skills. Hitherto, colleges would host fests only for the category they were in. We are hosting an event for all categories degree, PG, engineering, paramedical and medical.
