FOREWORD

This report intends to brief about the language lab which is an initiative taken by the institute to improve learning, listening, reading and presenting skills, where in 40 students per batch are accommodated with A/V facility with a language software and interactive programs.

MOTTO OF THE PROGRAM

English language labs are designed to provide the students with the strong platforms for the practical training in the language. The concepts are discussed and demonstrated by the teacher, before the students proceed to practice them individually in the language lab. The basic aim of the language lab is to improve speaking, listening & reading skills of the students.
PROCEEDING OF THE PROGRAM

The institute has taken initiative to improve speaking, listening & reading, presenting skills of the students using SoftX software in which 2 levels are available, where in 40 students are accommodated with A/V facility with a language software and interactive programs at a time.

The concepts are discussed and demonstrated by the trainer, before the students proceed to practice them individually in the language lab. Classes were conducted between November 2020 to March 2021.
CONCLUSION

This program helped the students to improve their language skill like pronunciation, reading skills. Totally 394 students from first year benefitted by this program.
