## **POLICY ON**

### **HIGHER EDUCATION AND CAREER COUNSELLING**

#### **1. PURPOSE:**

Alva's Institute of Engineering & Technology(AIET) is approved by AICTE, New Delhi, affiliated to Visveswaraya Technological University (VTU), ensures connectivity of its graduates to Career and higher education options through counselling at Placement cell. Pursuance of advanced courses by graduates of BE at AIET often seek services from external agencies. Most of the rural background students may not afford the price for these services. AIET encourages self-evaluation, accountability, autonomy and innovations in higher education among students through its efficient counselling in career as well as Higher education at Training & Placement cell.

#### **2. DEFINITION**

- (i) **VTU:** Stands for Visveswaraya Technological University, affiliating university of the Institute.
- (ii) **AICTE:** Stands for All India Council for Technical Education.
- (iii) **GATE:** Graduate Aptitude test in Engineering.

#### **3. POLICY STATEMENT:**

Provide training on career guidance for competitive examinations, career counselling for higher education. (State/ National/ international level examinations)

#### **4. SCOPE:**

Training provides employability skill, Aptitude and technical skills (for taking up competitive exams) and help the BE (3rd semester onwards) students to get placed in Industries/ opt for higher studies through campus drives and competitive exams.

## 5. PROCESS:

The institute follows several processes to accomplish higher education system in college.

**5.1:** Students would be having training on GATE(from 5<sup>th</sup> sem. ), soft skills and industry oriented technical program to enhance their technical ability.

**5.2:** Preplacement training and talks from industry experts to inspire them and conduct mock interview to train them, to fill confidence and motivated to pursue for higher studies / get placed in industries.

**5.3:** Information about admissions in higher educational institutions and different job fairs and job openings in various sectors is provided to students by displaying it on notice boards of the Institute.

**5.4:** Competitive and aptitude books are facilitated in reference section of the college library for preparing for their exams.
