Dear Rekha ma'am,

Greetings!

We are pleased to host Triphase Technologies at our campus.

We have around 100 students lined up for the campus drive, however we are looking forward for the students to get vaccinated before they come to campus. Allow us sometime until we get students done with their vaccination, we believe it would take us time till July 15 onwards for this process to get over.

Kindly consider our request and do the needful.

Thanks and Regards,
