The world's largest technical professional organization
dedicated to advancing technology for the benefit of humanity.

Dear D.V MANJUNATHA:

Thank you for becoming a member of the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

You will receive your welcome package containing your membership card via postal mail within 3-5 weeks. Download and print your membership card at any time from your [Membership and Subscription History](#).

Some of the benefits included with your IEEE Membership include:

- [IEEE Spectrum](#) – our flagship publication, keeping you informed about major trends and developments in technology, engineering, and science.
- [IEEE Collaborate](#)® – download your 2018 membership certificate, serve as or find a mentor, join communities to engage in technical discussions, or create a group to collaborate on research and projects.
- [IEEE.tv](#) – the award-winning, internet-based television network with more than 3,000 programs and live streaming coverage of IEEE events and conferences.
- [Career and job resources](#) – a wide range of learning, career enhancement, and employment opportunities.
- [Special Interest Group on Humanitarian Technology \(SIGHT\)](#) – a network of IEEE volunteers around the globe partnering with underserved communities to leverage technology for sustainable development.
- [Member discounts](#) – exclusive and discounted pricing on products and services (where available) that can add up to substantial savings.

View a full list of IEEE member benefits at www.ieee.org/benefits.

Attend a new member orientation to learn about the benefits and services available to you. Live webinars occur monthly. Register at www.ieee.org/start.

In addition to personal benefits, your membership helps support IEEE core purpose to foster technological innovation and excellence for the benefit of humanity. Specifically, this enables affordable student membership, funds university program accreditation, and helps introduce technology careers to young people around the world.
