AIET, Moodbidri

To,

IQAC Chairman
AIET Moodbidri

Respected Sir,

Subject: Proposal for conducting National Level Workshop on "Development of Web Oriented Applications using PHP and MySQL and Orientation Program towards Research" – reg.

We hereby propose to conduct National Level Workshop on "Development of Web Oriented Applications using PHP and MySQL and Orientation Program towards Research" to all teaching staff of various academia, industry persons and also research scholars 16th to 20th Jan 2017.

Kindly permit us to conduct workshop.

Thank you,

Your's sincerely

H.O.D.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Mr. Manjunath Kotari, BE, M-Tech, (Ph.D)
Professor & HOD CSE

Date: 20/12/2016

Respected Sir/Madam,

Sub: - National Level Workshop on "Development of web oriented applications using PHP & MySQL and Orientation Program towards Research"

We are pleased to inform you that **Department of Computer Science & Engineering and Information Science & Engineering, Alva's Institute of Engineering & Technology, Moodbidri, D.K** organizing a **National Level Workshop** on **"Development of web oriented applications using PHP & MySQL and Orientation Program towards Research"** from **16th to 20th, January 2017**.

The main aim of the workshop is to focus on the various aspects of Development of web oriented applications using PHP and MySQL and Orientation Program towards Research. This workshop imparts a fundamental knowledge required to design and develop an on-line management system of client-server technology using dynamic, database-driven web pages using PHP and MySQL and offers an orientation program providing useful tips to write thesis and journal papers.

We request you to encourage PG students and Faculty members of your organization to actively participate in this National Level Workshop.

Thanking You

With regards

[Prof. Manjunath Kotari]

HOD-CSE

National Level Workshop on

"Development of web oriented applications
using PHP & MySQL and Orientation
Program towards Research"

16th to 20th January, 2017

ALVA'S INSTITUTE OF ENGG. & TECHNOLOGY

Alva's Institute of Technology, Mijar, Moodbidri is a premier Engineering Institute of Alva's Education Foundation, established in the year 2008, which is 24 KMs from Mangalore International Airport. The college is recognized by All India Council for Technical Education (AICTE), New Delhi & Affiliated to Visvesvaraya Technological University, Belagavi. The college is certified to the ISO 9001:2008 standards.

The institute offers under graduate programs in 5 branches of Engineering — Computer Science & Engineering, Civil Engineering, Electronics & Communications Engineering, Information Science & Engineering, Mechanical Engineering. The college offers the following Post Graduate programs: Master of Technology, Master of Business Administration. M.Tech courses offered in Thermal Power Engg., Computer Science & Engineering. Four departments at the institute have been recognized as research centers by Visvesvaraya Technological University.

Department of Computer Science & Engineering

Department of Computer Science and Engineering started functioning from the year 2008, with an intake of 120. The Post Graduate course, M.Tech in Computer Science and Engineering, was introduced from the academic year 2012-13. Department is actively involved in co-curricular and extracurricular activities with association and professional bodies. Department of Computer Science & Engineering has always been on a high growth and path since its establishment.

To keep pace with latest technologies, department has employed experienced and dedicated faculty members with strong commitment towards research work. The department is dedicated to education, research and overall excellence. The students are well placed in reputed industries as well as continuing higher education in the premier institutes. The Department of CSE organizes various events such as workshops, Seminars, Technical talks, delivered by eminent resource persons from academia & industry, who have excelled in their field.

About Workshop

The main aim of the workshop is to focus on the various aspects of Development of web oriented applications using PHP and MySQL. This workshop imparts a fundamental knowledge required to design and develop an on-line management system of client-server technology using dynamic, database-driven web pages using PHP and MySQL. It includes the following salient features:

- It provides hands-on training sessions which offer a creative idea for developing on-line management systems.
- The practical programming exercises assigned amidst the demonstration hours enhance the interest on development of different real-life applications using PHP and MySQL.
- It offers a comprehensive knowledge in the development of on-line management system.
- E-materials along with 70 video lessons are provided.
- Intensive one-to-one attention is paid during the hands-on sessions.
- Useful tips for research scholars to write research papers and thesis.

Resource Persons

Dr. S. Mohideen Badhusha
Sr. Professor, Dept of CSE

Prof. Manjunath Kotari
HOD, Dept of CSE

Hands-on Sessions Trainers

Parikshith Nayaka
Ankita Shetty
Mangala Kini
Shilpa
Megha D. Hegde

Sathyaprakash
Santhosh
Swapnalakshmi K
Sharan Pais
Sahana Shetty

Target Audience

The workshop is open for the participants from academia and industry. Number of participants will be limited to 40. The selected participants will be informed of their selection by e-mail.

Registration Fee : Rs. 600/-

Last Date for Registration : 05/01/2017

Demand Draft may be sent in favour of
"THE PRINCIPAL, AIET" payable at Moodbidri.

Accommodation will be arranged with prior intimation to the college guest house.

Schedule of Workshop

DAY 1	8.00 to 9.30	Registration
	9.30 to 10.00	Inauguration
	SESSION 1	Demonstration of Salient and Unique features in PHP
	SESSION 2	Hands-on training for the basic programming constructs in PHP
	SESSION 3	Demonstration of advanced programming constructs in PHP
DAY 2	SESSION 4	Hands-on training for implementing the advanced programming constructs in PHP
	SESSION 1	Demonstration of the object oriented programming concepts in PHP
	SESSION 2	Hands-on training for the object oriented programming concept in PHP
	SESSION 3	Demonstration of implementing the in-built functions in PHP
DAY 3	SESSION 4	Hands-on training for implementing the in-built functions in PHP
	SESSION 1	Demonstration of basic MySQL commands
	SESSION 2	Hands-on training for implementing basic queries in MySQL
	SESSION 3	Demonstration of MySQL commands
DAY 4	SESSION 4	Hands-on training for implementing advanced queries in MySQL
	SESSION 1	Demonstration of development of Web oriented applications using PHP and MySQL
	SESSION 2	Hands-on training for developing Web oriented applications using PHP and MySQL
	SESSION 3	Demonstration of the development of a On-line management system using PHP and MySQL
DAY 5	SESSION 4	Hands-on training for the development of a On-line management system using PHP and MySQL
	SESSION 1	Research orientation
	SESSION 2	Structure of thesis and Tips to write the thesis and journal papers and some Examples for thesis
		Valedictory Function

FEEDBACK ANALYSIS

Workshop: National Level Workshop on “Development of Web Oriented Applications using PHP and MySQL and Orientation Program towards Research”

Resource Person: Dr. S. MohideenBadhussha

Date: 16th to 20th Jan 2017

TOTAL FEEDBACK FORMS RECEIVED: 30

TOTAL NUMBER OF QUESTIONS:11

Q. Number	Option 1 NOT AT ALL	Option 2 SOME WHAT	Option 3 VERY MUCH
All Questions	2	13	315
AVG	02/ 330 = 0.60%	13 /330 = 3.93%	315 / 330 =95.45%

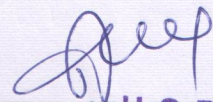

Out of 30 participants95.45% of participants given very good feedback, the 3.93% had given moderate feedback and 0.60% had given low feedback.

Comments/Suggestions:

Overall positive response by external participants

Provided e-materials and video sessions.

Alva's Institute of Engineering & Technology
Shobhavana Campus, Mijar, Moodbidri, D.K - 574225

WORKSHOP REPORT

Alvas Institute of Engineering and Technology conducted a 5 days' workshop on "Development of Web Oriented applications using PHP and MySQL and Orientation program towards research" organized by department of computer science and engineering from January 16 to January 20 2017. The workshop was inaugurated by Dr. Balakrishnan Manikiam. The HODs of various departments were also present for the inauguration function along with the resource person Dr. S. Mohideen Badhusha. Participants from various college had been participated.

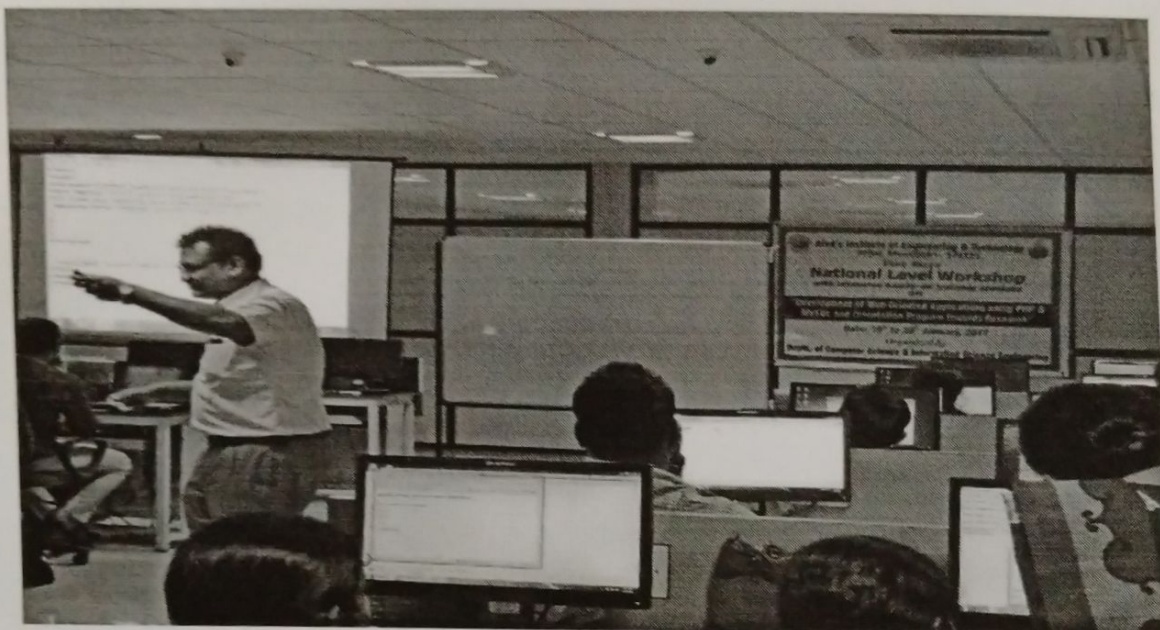

Alva's Institute of Engineering & Technology

Shobhavana Campus, Mijar, Moodbidri, D.K - 574225

The proceedings of the workshop are as follows:

Day 1: Started with the demonstration on salient and unique features of PHP, along with the hands on training in the basic programming construct with relevant exercise in PHP and also demonstration on advanced programming constructs in PHP with hands on training in implementing the advanced programming constructs with relevant exercise in PHP.

Day 2: Started with demonstration on introduction to the object oriented programming concepts in PHP along with the hands on training in implementing the simple object oriented programs with relevant exercises in PHP and also demonstration of implementing the inbuilt functions in PHP along with hands on training in implementation of the inbuilt functions with relevant exercises in PHP.

Alva's Institute of Engineering & Technology
Shobhavana Campus, Mijar, Moodbidri, D.K - 574225

Day 3: Started with demonstration on basic MySQL commands along with the hands on training for implementing basic queries in MySQL and demonstration on advanced MySQL command and hands on training for implementing advanced queries in MySQL.

Day4: Started with demonstration on development of web oriented applications using PHP and MySQL along with the hands on training for developing web oriented applications using PHP and MySQL. The afternoon session was followed with the demonstration of development of a online management system using PHP and MySQL with case- studies along with hands on training for the development of an online management system using PHP and MySQL with case-studies.

Day 5: the talk was given on the topic "structure of thesis and tips to write the thesis and journal paper" by Prof. Manjunath Kotari and "some Caveats and some examples for thesis" by Dr. Mohideen Badhusha.

The day was ended with a valedictory function where all the participants are provide with certificates.
