Dear sir,

SUB: Proposal for conducting 5 days National Level Faculty Development Programme on "web technology and its applications".

I hereby offer my proposal on a **National level faculty development program on "web technology and its applications" from 24th to 28th July 2018** sponsored by any agency/self which may be conducted in our institute to lure the faculties in vicinity and generate the fund.
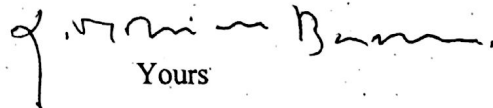

It is highly interactive and hand-on training sessions for the faculty members to gain knowledge in web oriented applications development using PHP and MySQL.

Kindly permit me to conduct the workshop and I seek your suggestions and cooperation.

Thanking you sir,

Faculty Development Programs (FDPs)

Department of CSE organized a National Level FDP(Faculty Development Program) on Web Technology and Its Applications as per VTU Revised Syllabus from 24th July to 28th July, 2018. Dr. Shivayogi B Ullagaddi, Special Officer VTU, Belagavi inaugurated the FDP on 24th July, 2018. After the inauguration Dr. Ullagaddi emphasized that Faculty members need to enhance their knowledge time to time as per the technological changes. Dr. Manjunath Kotari welcomed the gathering. Mr. Vasudev Shahapur introduced the chief guest to the audience. Dr. Mohideen Badhusha S proposed the vote of thanks.

The FDP was focused on the various aspects of Development of client – server web applications using PHP and MySQL. The FDP imparts a fundamental knowledge required to design and develop web oriented applications. The following salient features included and discussed:

The Resource Person Dr. Badhusha trained the participants with hands-on training sessions which offered a creative idea for developing using PHP, MySQL, JavaScript, XML, a and HTML. The practical programming exercises were assigned in midst of the demonstration hours to invoke the interest on development of different real-life applications using PHP, JavaScript and MySQL. It offered a comprehensive knowledge in the development of on-line management system. E-materials along with 70 video lessons were provided for the participants.

About 40 participants from various engineering colleges of Karnataka were actively participated in this 5 days FDP.
