Respected Sir,

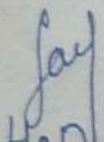

**Sub: - Proposal for conducting Workshop on "Installation of Operating Systems" for non-teaching faculties - regarding**

We here by propose to conduct one dayhands on workshop on "**Installation of Operating Systems" for non-teaching faculties**" aims at addressing the basic of C Programming for non-teaching fraternity of ISE/ CSE/ ECE. Linux is open-source, free to use kernel. It is used by programmers, organizations to create Operating systems to suit their individual requirements.

Kindly permit us to conduct the workshop on 23rd June, 2018. And I seek your suggestions and Cooperation regarding it.

Thanking you,

  
Yours Sincerely

  
H.O.D.

### DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

Alva's Institute of Engineering and Technology Moodbidri conducted a **“one day hands-on workshop on Linux operating system”** on 23 June 2018 for the benefit of the non-teaching staffs. The Workshop was inaugurated by Prof. JayantKumar A Rathod Prof. Manjunath Kotari, HoD, Dept of CSE, Dr. Manjunath D V, HoD, Dept of ECE, and Dr. Dattathreya S Gujjar Dept of ECE.

Prof. JayantKumar A Rathod, HOD Department of Information science and Engineering was the resource person. Prof. JayantKumar A Rathod said that Linux, which is a free operating system and free from viruses, has been adapted by more computer hardware platforms than any other operating system. He said that Linux is the most preferred operating system for mobile phones, tablet computers, network routers and video games, and is used by 95% of the world's fastest super computers. Then Linux Operating installation demo was shown to the participants.

The workshop was well received by the participants and explored their interest in acquiring the knowledge on installation of operating system.

The organizing committee expresses sincere thanks to the Management, Principal, Participants, and Resource People for successful conduction of this workshop.
