Dear sir,

Subject: Request to organize a seminar on 9/12/2020.

As per the subject cited above department is planning to organize a seminar on "Six Sigma" by Mr. Amitabh Saxena, anexas.net Training on 9/12/2020. It is scheduled at 3:30-4:30pm. This session would be very informative. The Session would be conducted for Mechanical Department students as well as MBA students. Hence I would like to request you to kindly permit for the same.

Thanking you

Yours faithfully

(DEEPAK KOTTARI)

“Six Sigma”

Department of Mechanical Engineering in association with CAD DESK Training was organized a webinar on “Six Sigma” on 9-11-2020 at 01:00 PM to 04:00 PM in CAMD Lab, Mechanical department by the speaker Mr. Amitabh Saxena. The Webinar was conducted for online students.

Mr. Amitabh Saxena briefing on SIX Sigma

Webinar was very useful for students in that they discussed about what is Six Sigma?

Six Sigma is a method that provides organizations tools to improve the capability of their business processes. This increase in performance and decrease in process variation helps lead to defect reduction and improvement in profits, employee morale, and quality of products or services. Students got yellow belt training also with this webinar.
