To,
The Principal,
AIET, Moodbidri

Sub: Seeking permission to conduct Program on OBE(Outcome Based Education) for CSE students under total quality management- reg...

As cited in the above subject Department of Computer Science and Engineering is conducting an for students of CSE on 16/9/2016. In this regard I request your kind permission and guidance.

Thanking You.

Circular

It is informed to class representatives, students of CSE that Department has organized an **"Outcome Based Education awareness"**, on 16/9/2016. Students are hereby informed be present in Engineering Seminar Hall at 10:00AM for Morning Session (2nd year) and 2:00PM for ~~Afternoon session(3rd year)~~ without fail.

“Program :Outcome Based Education awareness”.

Dated:- 16/09/2016.

An Program **“Outcome Based Education awareness”** was organized by Department of Computer Science and Engineering on 16/09/2016.

Mr.Vasudev S addressed the students about the importance of Outcome Based Education. Outcome based education is student centered instruction that focuses on measuring student performance i.e. outcomes. Outcomes include knowledge skills and attitudes. Outcome based accreditation – focus remains on evaluation of outcomes of the program, though Input and Output parameters are also important Input and Output parameters are also important .Sir,explained about Why outcome based accreditation.Sir, also explained about globalization has brought in a clear shift from education as transmission of expert knowledge to education as building learner competencies including learning to learn and life long learning. That means focus will have to be on understanding fundamentals very well, and learning new skills/competencies that would enable individuals to cope with the demands of the rapidly changing workplace. Prepare global engineers who will have to solve problem and shoulder challenges which are not even known today
