Participants mainly consisting of students & faculties of Mechanical Engineering department was attended the workshop.

Dr. H. Ajith Hebbar (HOD, Dept Of Civil Engg. AIET) who was the resource person for the workshop discussed about the Revised Accreditation Framework of NAAC. He explained minute details of the Assessment & Accreditation (A & A) process beginning with the eligibility criteria to online submission of 'Institutional Information for Quality Assessment (IIQA)'.

He informed that "IIQA User Manual" is available on the dashboard for help. Also, the required documents and the ones to be uploaded were also enlisted. The IIQA Application Process was explained in detail.

Thereafter, Dr. Ajith Hebbar discussed the changes introduced in the Revised Assessment and Accreditation (A&A) Framework in July 2017, representing an explicit paradigm shift making it ICT enabled, objective, robust and transparent.

Subsequently, He explained all the seven Criteria to serve as basis for assessment of HEIs in detail. The Key Indicators, including the New Introduced ones, were also explained with suitable examples.

Dr. H. Ajith Hebbar cited many examples how any false information mentioned by the college in SSR is revealed by the Peer Team. He, cautioned, that such practise is not acceptable and the college should always submit only that information which could be verified. He concluded by saying that each and every data should be supported with verifiable document, therefore utmost care should be taken before submitting the SSR.
