NBA ORIENTATION PROGRAM

The Department of ISE organized Total quality management teaching learning A orientation program on NBA Accreditation. Prof Sudheer Shetty, Hod dept of ISE AIET Moodbidri was the resource person for the event. All the department faculties were also present at the event.

Prof Sudheer Shetty said NBA accreditation is a move to assess and thereafter ensure the quality of education offered in institutions of higher education in the country. Education plays a vital role in the development of any nation. Therefore, there is a premium on both quantity (increased access) and quality (relevance and excellence of academic programs offered of higher education. Like in any other domain, the method to improve quality remains the same. Finding and recognizing new needs and satisfying them with products and services of international standards. The NBA has been set up to help all participating institutions assess their performance. A rating agency for academic excellence across India.

He spoke about the benefits of NBA Accreditation

What is Outcome based Education?

1. What the students need to learn?
2. What the students should demonstrate to the professional world?
3. Accordingly designing both curricula and delivery mechanisms (teaching strategies) to build the required skills and competence.

Outcome-based Program Accreditation

- Knowledge and competencies profiles
- Graduate attributes which form the student learning outcomes: – Engineering knowledge – Problem analysis – Design/development of solutions – Investigation – Modern tool usage – The engineer and society – Environment and sustainability – Ethics – Individual and team work – Communications – Project management and finance – Life-long learning
