CIRCULAR

It is hereby informed to all the students that English Proficiency classes will be conducted from 18th September 2017 for I year B.E. Physics and Chemistry group students by BACCE, Bhakthi Vedantha Academy for cultural & Character Education as per the time table. All the students should attend the classes regularly.

DEAN ACADEMICS

Dr. BASAVARAJU B.
Professor, Department of Chemistry
Alva's Institute of Engineering & Technology

**ENGLISH LANGUAGE & COMMUNICATIONS SKILLS
LAB (LISTENING, READING, WRITING & SPEAKING)
REPORT 2017-18****22-05-2018****INTRODUCTION**

In these ages of globalization importance of good communication skills cannot be ignored. It is also essential to gain proficiency in language at an early age, So that the tomorrow's challenges can be handled with confidence. Following the words of Shri Aurobindo; "Every child has an imagination and an instinct for words, a dramatic faculty, a wealth of ideas and fancy"- Language lab is essential to improve the linguistic and phonetic skills of the students. Students gain the skills through audio and visual systems. Students enjoy the most when they check their own pronunciation and polish their language. Language lab is highly beneficial for language skills enhancement. Certainly language lab will be a value added arena for the institution.

OBJECTIVE

The importance of the English language cannot be mitigated even if so desired. It is almost necessary that a learner has a good command over the language to allow him overall success in life. Having clarity and accuracy of the English language gives confidence to the learner and opens doors to avenues otherwise out of reach. His/her understanding of the nuances of the English language serves as a platform to rise and evolve in his/her life and career. The enhancement of the English lab among students lies with the institution along with the efficient teachers an institute can make arrangements to set up a good digital English language lab for the students. A good English language lab established and used by the students can do wonders.

IMPORTNACE OF ENGLISH IN TECHNICAL FIELD

The world needs a language to communicate as a whole to bridge the gap between each other. Most of the information, literature, technical and scientific works are in English. Besides the literature, the manifestation of the thought process requires communication of the language. Communication skills are indispensable for the success of any professional. If one has to reach out to people, he or she has to speak their language. The English language, in particular has become essential in the lives of young people who aspire to advance their careers

anywhere in the world. To acquire the proficiency in the language, the process and method of learning of that language is the one which makes an impact on the student.

English language labs are designed to provide the students with the strong platforms for the practical training in the language. The concepts are discussed and demonstrated by the teacher, before the students proceed to practice them individually in the language lab. The basics aim of the language lab is to improve speaking, listening & reading skills of the students.

Language proficiency course was conducted for 1 year B.E. students by Bhakthi vedantha Academy for Cultural and Character Education (BACCE) from 18-09-2017 to 22-05-2018. The classes were mainly concentrated on the following topics verbal syllabus, verb agreement, tenses, articles, vocabulary builder, writing skills and communication skills to enhance English vocabulary and language proficiency to develop confidence among students to speak in public and to develop the communication skills. The classes were attended by 449 students of 1st year classes.

OUTCOME

The students are able to get familiarized with English Vocabulary and Language proficiency. The students are able to improve nature and style of sensible writing and work place communication skills. The students are able to identify common errors in spoken and written communication.
