REPORT:

The Panel Discussion on “Current Economic Scenario in India” was hosted by Rostrum- The Speakers’ Club on 28th Oct, 2017 at VS Acharya Vedike, Vidyagiri, Alva’s Campus. The welcoming of the panelists were done by Mr.Vivek Alva, Managing Trustee and Dr. Kurian, Principal, Alva’s Degree college.

Event: The panel discussion started by Dr. G V Joshi initially explaining some facts of the current economic scenario of the nation. He explained how changes was seen in the economy of the country with GST and demonetization being implemented in the country.

Each panelists were given turns to put forward their perspective of the topic and how it has helped or hurt their field of business. Mr. D B Mehta from Credai groups explained how the GST and demonetization has currently hurt the construction sector. He was with the topic as he said these reform changes in economy of the country is much needed for the greater good. All the panelists spoke on various fields like banking, agriculture, hotels etc and the current economy has impacted on the business. Dr. GV Joshi concluded the session by mentioning all the highlighted points put up by the panelists. The panel discussion also saw Q&A from the audience asked directly to the panelists. The Rostrum students from AIET(all depts), Alva’s Degree college were the audience for the session.

is the Founder-President of School for Ecological Education in Karnataka (SEEK). Active campaigner for preservation of Environment, Flora and Fauna. He has specialized in communication skills. Scripted and directed 13 part TV serials on 'Environment and Wildlife'. He is known for his keen sense of humor.

Event: The session started with Dr. Chadaga welcoming the guest. The session has a strength of 250 students from across AIET and MBA.

The session started by Prof. Ragotham Rao talking to the students on how youth are also responsible for pollution. He said the young generation has much task ahead in terms of development of the country and youth must be enforced to environmental tasks. He related the workings of Swamy Vivekananda and how his ideologies and mantras can help youth in the modern era to contribute to the society. He had some interactive sessions with students regarding how students can take part in pollution control.

The session was continued with Q&A from rostrum students and finally Mr. Deepak Raj thanked the guest for his valuable time with us.
