ABSTRACT

In a busy schedule, we tend to forget many important things easily, and to remember these things we need to note down things in a piece of paper. In such busy schedules people need some personal assistant or a reminder to remind them about the important work that needsto be done. This android application will help them to remind, to do such important things. These sticky notes android application can help us to note the daily task which needs to be done. Important meetings, events etc. can be recorded with great ease through the use of this application. This application will allow the users to organize the data in a simpler and easy way. In this application users can view all the Notes and also, we can rearrange the notes based on priorities. These notes can also be edited and deleted.
