CISCO

Date: 13-Mar-2020

To whomsoever it may concern
SUB: Letter of Acknowledgement for Internship

This is to certify that Mr. Vishak Amin has successfully completed **Two months** from (13th Jan'20 to 13th Mar'20) internship programme with Cisco Systems India Pvt. Ltd. During his tenure, he assisted with the data analysis related activities at Operations layer. He worked with the automation team as a Python Developer for analysing network related data and attaining insights from it.

To analysis the network data He used the Python module like Netmiko, pymongo etc.

We wish him bright future.

Sincerely,

Sathish Balasubramanian
