

## 2. MOU DETAILS

# MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

DEPARTMENT OF CIVIL ENGINEERING

ALVA'S INSTITUTE OF ENGINEERING AND TECHNOLOGY,

MIJAR, MOODBIDRI, D.K, KARNATAKA, INDIA

AND

GEOINFORMATICS, DEPARTMENT OF MARINE GEOLOGY,

MANGALORE UNIVERSITY, MANGALAGANGOTRI, KARNATAKA,

INDIA

This Memorandum of Understanding (MOU) is made between Alva's Institute of Engineering and Technology, Mijar, Moodbidri, D.K, Karnataka and Geoinformatics ,Department of Marine Geology and Mangalore University, Mangalagangothri, Karnataka, India. This memorandum of understanding will come into effect on the date of signature and will remain in force until either sides deliver written notification. Either party may terminate this MOU by giving the other party three months written notice, unless or earlier termination is mutually agreed upon. Each party recognizes that the other party has, may have, or will have arrangements of a similar or different nature with other institutions.

The term of co-operation for activities such as Students Project Works, Collaboration in Government Projects, Setting up of Remote Sensing and GIS Laboratories, mutual exchange of technical inputs, contemplated under this MOU shall be mutually discussed and upon in writing by both parties to the initiation of that activity. Any such activities agreed upon will be recorded and governed by a separate document executed by both parties. Activities to be organized under this agreement will be the responsibility of the Heads of either institutions or persons designated by them. National regulations and customs shall be mutually respected.

This MOU imposes no financial obligations on either parties. Both parties understand that all financial arrangements will have to be negotiated.

The terms and exploitation of intellectual property, inventions will be negotiated on a project-by-project basis in the specific project agreements and programs of co-operation.

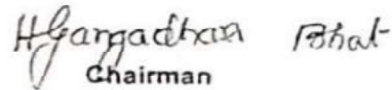

Nothing in this MOU shall be constructed as a license or transfer or on obligation to enter into any further agreement with respect to an intellectual property currently licensed to or belonging to either party. An intellectual property held by party prior to entering into this MOU or disclosed or introduced in connection with this MOU and all materials in which such intellectual property is held, disclosed or introduced shall remain the property of the party introducing or disclosing it.

This MoU will become effective from the date of the last signature here to and will remain in force for a period of five ( 5) years with a possibility for renewal at the end of the five year period subject to the Participants written agreement. Either Participant may terminate this MoU by giving six (6) months advance notice in writing to the other Participant.

Each party shall not make any public announcement or statement or publish or release any information in relation to any activity or proposed collaboration without the prior written approval of both parties.

### **DEPARTMENT OF CIVIL ENGINEERING**

MoU signed on 23.08.2019 between Marine Geology Department, Mangalore University and Department of Civil Engineering AIET Moodbidri

### **3. Future Plans:**

Academic works to be done in collaboration with Department of Marine Geology, Mangalore University:

- Certificate course in Geo- Informatics
- Internship
- Workshop
- Conference
- Industrial Visit
- Project works
- Faculty Development Program

To,

Date: 17/04/2018

The Registrar,

Mangalore University

Mangalore-574 199

Dear Sir,

**Sub: Request for the Memorandum of Understanding (MOU) on Academic and Research collaboration with your esteemed University – Reg.**

Alva's Education Foundation (AEF) is a multifaceted organization established by Dr. M. Mohan Alva in the year 1995 and now considered as the crown of Moodbidri. It has 20 educational institutions with more than 25,000 students. It has primary to Post Graduate courses in General Education, Para Medical Courses, Engineering, Management, Alternative Medicine, Nursing and Ayurveda streams encompassing students from all over India and abroad.

Alva's Institute of Engineering & Technology (AIET) is a premier *Engineering Institute* of Alva's Education Foundation established in the year 2008. AIET is strategically located adjacent to Moodbidri-Mangalore National Highway, which is 30Kms from Mangalore Railway station.

AIET is recognized by All India Council for Technical Education (AICTE), New Delhi and affiliated to Visvesvaraya Technological University (VTU), Belgaum, approved by Govt. of Karnataka. Ranked as one of the best Technical Institute in South Canara region.

Currently, Institute offers 5 under graduate and 4 post-graduate programs. Institution also offers several research programs leading to doctoral (P.H.D) studies.

# ALVA'S INSTITUTE OF ENGINEERING AND TECHNOLOGY

A Unit of Alva's Education Foundation (R)

( Affiliated to Visvesvaraya Technological University, Belagavi

Approved by AICTE, New Delhi & Recognised by Government of Karnataka )

Shobhavana Campus, Mijar, Moodbidri - 574 225, Mangalore, D.K., Karnataka State.

Phone : 08258-262724 (O), 262725 (P), Telefax 08258-262726

Email : principalalet08@gmail.com, Web www.alet.org.in

National and state conferences, national and state level workshops are held at AIET on regular basis on different themes in different streams of engineering. More than 80 guest lecturers conducted every year spanning from current topics in each engineering field to specialized topics from experts.

As per the VTU curriculum, it is mandatory for engineering students (U.G and P.G) to undergo internship course at reputed R & D centers and firms.

In this regard, AIET is requesting for Memorandum of Understanding (MOU) on Academic and Research collaboration activities between AIET and Mangalore University. As per the MOU the students and faculty members of our institute will interact with expertise resources of your esteemed University in relevant area of interest.

Hence, kindly help us, what are the steps to be followed to collaborate with your esteemed University.

Dr. Peter Fernandes
